ABOUT OPPOLIA

OPPOLIA, a high-end custom brand of OPPEIN HOME GROUP, is committed to providing minimalist custom home furnishing products that are highly functional and modern. With the mission of "fulfilling people's aspiration for a better home", it serves successful people and elites and high grade families worldwide. OPPOLIA aims to promote customization solutions for whole house spaces including kitchen, bedroom, entrance, living room, dining room, children's room, functional room, balcony, bathroom etc., by offering a wide range of home decor products such as custom cabinetry, finished furniture, interior doors, wall boards, soft furnishings, electrical appliances, etc..

It strives to provide one-stop solutions and turnkey furnishing solutions of whole house customization for clients.

Designed by top international designers, it creates an amazing living experience and lifestyle. OPPOLIA designs feature minimalism and Italian aesthetics, presenting itself in a cozy and luxurious style and being a real model of luxurious custom cabinetry manufacture.

OPPOLIA leads the world in furniture quality and offering a safe living environment. With a strict selection of imported materials, minimalist design and responsible management, it produces furnishing products that are in strict accordance with International standards and European quality systems. This not only helps secure its global market, but also makes it the leader in the high-end home customization industry.

Trendy:

Multi-dimensional design, in line with the pursuit of a better life in the personalized era.

Classy:

Minimalist style and multifunctional system makes life easier.

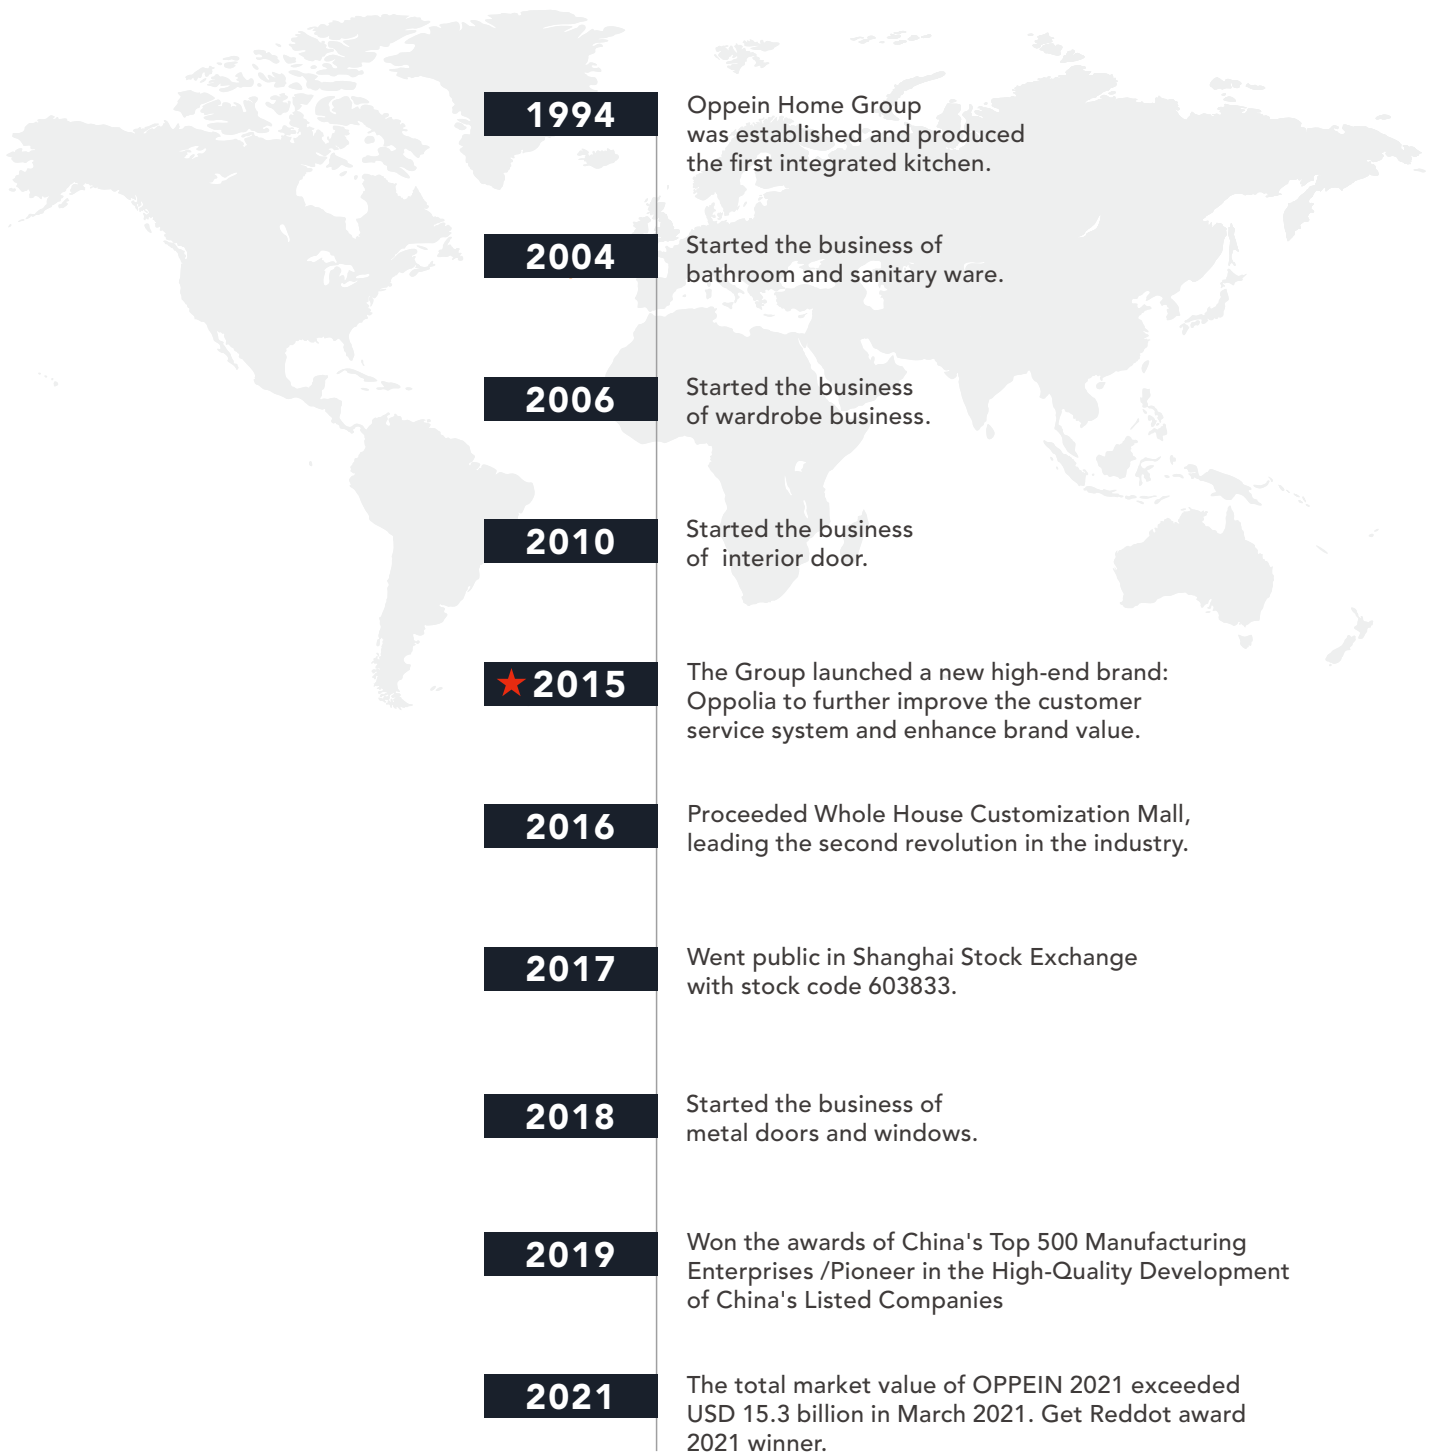

Quality:

Strong manufacturing system and global supply chain ensure the product quality.

Innovatory:

Personalized design based on clients' habits and preferences. Creating a home that is unique to each individual.

MILESTONE

DESIGN & CUSTOMIZATION

Widest Range Of Product Categories

With one of the widest range of customized kitchen and home furnishing product lines in the world, OPPOLIA is able to offer whole-house customization solution, rather than units or cabinets, which brings customers not only the harmonious style, but also huge efficiency improvement and significant cost-effectiveness.

PRODUCTION AND R&D

Global Supply Chain

OPPOLIA has developed a well-coordinated global supply chain. 95% of our strategic suppliers are world well known. In partnering with world class suppliers, OPPOLIA is looking to secure excellent quality, delivery and services that support our growth and innovation ambitions.

European Manufacturing System

Characterized by its automated production and integrated manufacturing Informationization, OPPOLIA's manufacturing system is capable of handling mass-customization more precisely and efficiently, thus responding to diversified needs more quickly and flexibly.

Automated Production, More Precisely

- 95% of OPPOLIA machinery coming from Germany and Italy
- Manufacturing process & technology planned and calibrated by Schuler Consultancy

Integrated Manufacturing Informationization, More Efficiently

The integrated manufacturing informationization, running through the whole process from product design, order sorting, production planning and control, to logistic and after-sales service, greatly enhances the data processing efficiency.
